INSTALLATION & CARE GUIDE

WALL HUNG
LAVATORY

July 2014

Installation Guide

Drill two holes in the required position on the wall using a 14mm masonry drill bit to a depth of 75 mm.

Push a dry wall anchor into each hole.

Screw a fixing bolt into each fixing plug using an 8mm spanner until the spanner contacts the wall.

Place the basin in position against the wall, locating the fixing bolts through the holes in the rear of the basin. Push a plastic washer followed by a metal washer onto each fixing bolt.

Screw a metal nut onto each fixing bolt to secure the basin. **Caution:** Do not over tighten as this may damage the ceramic.

LIMITED LIFETIME WARRANTY

Icera provides a LIMITED LIFETIME WARRANTY for its Icera branded vitreous china and fire clay plumbing fixtures to be free of defects in material and workmanship. This warranty is extended only to the original purchaser and installer of the product. This warranty is non-transferable.

Icera will, at its election, repair, replace or make appropriate adjustments where Icera's inspection discloses any such defects occurring in normal usage within the warranty period after purchase. Comparable products will be offered as replacements for products no longer available.

Icera is not responsible for removal or installation costs. Use of in-tank toilet cleaners will void the warranty. This warranty is extended only to the original purchaser and installer of the product. This warranty is non-transferable.

Authorized Resellers

Warranties are not applicable to products sold by unauthorized resellers. The consumer accepts responsibility to research the integrity and reputation of the reseller to ensure they are authorized to sell and provide appropriate pre purchase and post purchase service. Internet resellers should be particularly scrutinized as they are very difficult to evaluate and often provide very limited or no customer service.

This warranty applies to unmodified products when properly installed and maintained per factory instructions for their normal and intended non-commercial application. Excluded are all industrial, commercial and business usage, whose purchasers are hereby granted a two-year limited warranty. Icera is not responsible for removal of defective product or installation costs of replacement pieces.

Excluded from coverage through this warranty are items used as plumbing fixture trim, various fittings, toilet bowl seats, and tank flushing mechanisms.

Changes in finish floss, scratching, staining, and other effects from chemical use, water, and atmospheric conditions are not considered manufacturing defects but are considered normal wear and tear. Variations in color will occur naturally due to manufacturing processes and are not covered under this warranty.

Icera reserves the right to make changes in product design, manufacturing process, packaging, or availability at any time without notice.

To obtain warranty service, contact Icera either through your dealer, plumbing contractor, by writing Icera, Attn: Customer Service Department, PO Box 27777, Santa Ana, CA 92799 USA or online at support@icerausa.com. Proof of purchase is required in processing all warranty claim requests.

IMPLIED WARRANTIES INCLUDING THAT OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. ICERA AND/OR SELLER DISCLAIMS ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights which may vary from state/province to state/province.

This is Icera's exclusive written warranty. This exclusive written warranty is issued in lieu of all other warranties, expressed or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
